

OUR ROADMAP

STEP 1 FEEL

Empathy with global situations and multi-dimensional view.
Immerse yourself in the spirit of Francis of Assisi.

STEP 2 IDEATE

Reflect on the input by peers and global experts.
Shape a collective consciousness and thinking to develop systemic solutions.

STEP 3 ACT

Global commitment to start a process of change.
Participants continue to lead this process wherever they are and keep linked in many ways.

CONCLUSIONS

MARCH 28

* THEMATIC VILLAGES: LABS OF WORK AND SHARING to generate new ideas and proposals

- Finance and humanity
- Agriculture and Justice
- Energy and poverty
- Profit and vocation
- Businesses in transition
- Management and gift
- Work and care
- Policies and happiness
- CO2 of inequalities
- Life and lifestyle
- Business and peace
- Economy is woman

To underline the aspect of the challenge, each theme has been associated with a word with which it appears in tension. Each Lab offers work-tables, interactive mini-conferences, experiential workshops, private interviews with experts, and a networking point.
