

PRESS ACCREDITATION METHOD

The request for accreditation by journalists must be sent to the Press Office of the Sacred Convent of Assisi by sending an email to accrediti@sanfrancesco.org by **Wednesday November 18 at 10 am**, indicating complete personal details (name, surname, place and date of birth), letter from the director of the newspaper to which he/she belongs, duties and telephone contacts. For journalists and media operators already accredited with the Holy See Press Office, it is sufficient to send their personal data and telephone contacts, attaching a copy of their valid ordinary accreditation card (it is not necessary to send a letter of request from the Director responsible for the newspaper).

Given the anti-covid regulations, the presence of the press at the event is not expected. Therefore, it will be possible to follow the live coverage of the meetings on the official channels of The Economy of Francesco www.francescoeconomy.org.

With the accreditation request, you will have the opportunity to receive multimedia material and texts relating to the international meeting. Accredited journalists will be able to request an interview with the speakers or the young participants by sending an email to accrediti@sanfrancesco.org.

The news organization can still apply to participate physically in the meetings by sending an email to the director of information, **Father Enzo Fortunato**, and to the head of the press office, **Roberto Pacilio**, at salastampa@sanfrancesco.org. In any case, the Communication Office will evaluate the possibility or not of being physically present given the anti-covid regulations.
